There is an old saying that "Any
kind of advertising which brings
results is good advertising." This
is true as far as it goes, but we be-
lieve that some kinds of advertis-
ing are better than others. To
this end we want you to ask the
many satisfied customers who
have ordered clothes from us this
season just what they think of
these garments. They are walk-
ing advertisers, and we want you
to join this well-dressed, well-sat-
isfied company.
